

Against Sexual Violence Campaign

Submitted by: Tara Mariwany, Welfare and Diversity Officer

Seconded by: Amelia Gentile

Union Notes:

- 1) In 2016, Goldsmiths began the design and launch of a large-scale effort to address Sexual Violence culture on our university campus.
- 2) That the Students' Union and the University have been working together on the Against Sexual Violence campaign
- 3) That the Union is providing bystander intervention training this term to tackle the culture of sexual harassment on campus

Union Believes:

- 1) That Goldsmiths Students' Union should endorse the work of the Against Sexual Violence campaign and endorse the new policies and procedures developed by the University to implement change at an institutional level.

Union Resolves:

- 1) To promote the Against Sexual Violence campaign to staff and students
- 2) To deliver the bystander intervention training programme
- 3) To endorse the new policy and procedures developed by the University
