

## **Trans Fund Lobby Request**

Proposer: Mx Eugene Delporte - [edelp002@campus.oldsmiths.ac.uk](mailto:edelp002@campus.oldsmiths.ac.uk)

What do you want us to lobby the university for?

- A gender transition fund as described in the Trans Action Plan of 2023.

How will this affect students?

- It will help fund the transitions of lower income students and make access to transitioning more equitable.

Additional Information:

- *"The Trans Action Plan was created by the EDI team at the university library. The discretionary fund has since been backed down on partially on the basis that the plan was from the EDI team rather than trans students but also amidst the backdrop of anti trans hate rising recently."*
