

HIV / Aids Policy

- There is no discrimination against children, staff or parents who may be infected with, or carrying, the HIV virus.
- Staff are instructed to wear gloves when changing nappies or dealing with accidents involving body fluids such as blood or vomit.
- Soiled nappies and clinical waste is disposed of in hygienic bins, which are collected regularly.
- All information given to us will be dealt with in strict confidence.
- Staff are able to continue to work as long as they are medically fit to do so.
- Children can continue to attend nursery as long as they are medically fit to do so.
- Staff and children are advised to seek regular medical supervision.
